

Regulation 31(4)(a): Current Applications

Last update: 03 July 2025

The following list provides details of applications currently under consideration, and will be updated regularly on our website at: [Approved & Considered Products - Drinking Water Inspectorate \(dwi.gov.uk\)](https://www.dwi.gov.uk/Approved-Considered-Products-Drinking-Water-Inspectorate)

All other details concerning these applications are treated as commercially confidential and we are unable to comment on the progress or contents of any application.

The status of the application is illustrated in the last column denoted by the following letters:

U – application under consideration.

W – application withdrawn by applicant and date of withdrawal. This entry will be deleted from this table after twelve months.

A – application approved and date of approval. This entry will be deleted when the product appears in the List.

R – application rejected and date of rejection. This entry will be deleted when the List is updated.

C – application closed due to inactivity. This entry will be deleted from the table after twelve months.
